

Veterans Emergency Housing Program Application

Thank you for your service. Our State and Nation are grateful to you for all that you have done for us. We look forward to doing everything possible to serve you.

New York State's Veterans Emergency Housing Program provides short-term assistance for Veterans who face a current housing hardship and lack sufficient personal funds to resolve the hardship. Eligible Veterans can receive up to \$2,000 per calendar year to assist with qualifying housing needs. Such needs could include (but are not limited to):

- Emergency financial assistance to a Veteran whose home was badly damaged in a fire or natural disaster;
- Renovating a Veteran's home that is no longer accessible due to the onset or worsening of a disability;
- Gaining temporary shelter when a Veteran suddenly loses access to their home or a Veteran's home becomes no longer safely habitable;
- Replacing or repairing an essential home appliance that has been destroyed or severely damaged (e.g., furnace, water heater, etc.);
- Covering rent, utilities, or property tax payment that a Veteran missed due to illness or emergency;
- Any other payment that the Commissioner determines to fall within the purview of the program.

To qualify for these emergency funds, an applicant must be a Veteran living in New York State and facing an immediate housing hardship. An applicant must also have a personal net worth equal to or below the net worth limit established by the federal government to assess eligibility for federal Veterans Pension benefits (from December 1, 2023 to November 30, 2024, the net worth limit is \$155,356).

Please answer the questions on Page 2 accurately and completely so we can process your application as rapidly as possible. The information you provide will be kept confidential by the New York State Department of Veterans' Services.

After we receive your application, a Veterans Benefits Advisor (VBA) from the NYS Department of Veterans' Services will reach out to you. The VBA will verify your

housing emergency and your household's income, assets, and expenses. This conversation will determine your eligibility for this benefit — as well as other federal, state, and local benefits for which you may be eligible.
